Message from the Guest Editor

The journal *Medicina* launched a Special Issue titled "Mitral and Aortic Valve Repair and Replacement: Yesterday, Today, and Tomorrow".

This Special Issue addresses the current state of the art in valve repair and replacement, looking to the future but also highlighting the many obstacles we currently face in selecting and providing the best option for our patients.

We are pleased to invite you and your co-workers to submit your articles on this topic.

More information about Special Issue and options to submit your paper can be found at the following link:
