Message from the Guest Editor

Dear Colleagues,

The year 2023 marks the 10th anniversary of the journal *Medical Sciences* (ISSN 2076-3271). To celebrate this significant occasion, a Special Issue entitled “10th Anniversary of Medical Sciences—Advances in Basic, Translational and Clinical Research” has been launched. As the Editor-in-Chief of *Medical Sciences*, I am pleased to invite you to submit high-quality and relevant manuscripts on your research activities to this Special Issue. The topics of this Special Issue include, but are not limited to, the following:

- Clinical medicine;
- Epidemiologic studies;
- Health improvement strategies;
- Laboratory and animal investigation;
- Pathogenesis of disease;
- Pharmacology;
- Translational research.
