Dear Colleagues,

We are pleased to announce that applications are now open for three *Molecules* Travel Awards in 2019. The nominations and applications will be assessed by an Evaluation Committee chaired by the Editor-in-Chief of *Molecules*, Dr. Derek J. McPhee.

This prize provides financial assistance for the winner to participate at an international chemical science conference or a multidisciplinary conference with a major chemistry component to be held in 2019 to present either an oral presentation, poster, or both.

## 2019 TRAVEL AWARDS FOR POSTDOCS AND PHD STUDENTS

### Requirements:

- Applicants must be postdoctoral fellows or PhD students involved in the chemical sciences, broadly defined as any discipline covered by the journal *Molecules*.

### Required application documents:

- Outline of current and planned future research.
- CV, including a complete list of publications.
- The conference you will attend (list the conference name and its website) and an abstract of the work that will be presented.
- A letter of recommendation from the supervisor, research director or department head which also confirms the applicant's status as a postdoc/PhD student.

The award will consist of **800 Swiss Francs**.

Please submit your applications here: (<http://www.mdpi.com/journal/molecules/awards>) by **15 November 2018**. The winner will be announced on the *Molecules* website by **20 December 2018**.
