

# *molecules*

In 2020, we are celebrating the 25th anniversary of our journal *Molecules*. Since its launch in 1996, *Molecules* has published more than 20,000 papers, and the journal website attracts 115,000 monthly visits and more than 395,000 monthly page-views.

In recognition of our authors' continued support, *Molecules* is pleased to announce that the “*Molecules* Best Paper Awards for Anniversary Special Issues” will be launched and granted to the best papers published in the “Anniversary Special Issues”.

## MOLECULES 2020 BEST PAPER AWARDS FOR ANNIVERSARY SPECIAL ISSUES

Each award nominee will be assessed on her/his paper's originality, quality, and contribution to the field by the Evaluation Committee. The award will consist of the following:

- Certificates
- 1500 Swiss Francs for the first prize
- 1000 Swiss Francs for two second prizes
- 500 Swiss Francs for five third prizes

Prof. Dr. Farid Chemat  
Editor-in-Chief, *Molecules*
