### Message from the Guest Editor

Dear Colleagues,

We are pleased to announce a new Special Issue entitled “Exclusive Feature Papers in Physical Chemistry”. This is a collection of important high-quality papers (original research articles or comprehensive reviews) published in open access format by Editorial Board Members or prominent scholars invited by the Editorial Office and the Guest Editors. We aim to gather state-of-the-art or new cutting-edge developments covering all kinds of topics in the physical chemistry field through selected works, in the hope of making a great contribution to the community. We intend for this issue to be the best forum for disseminating excellent research findings as well as sharing innovative ideas in the field.
