

Special Issue

Feature Papers in Applied Chemistry: 4th Edition

Message from the Guest Editor

It is our pleasure to announce a Special Issue entitled "Feature Papers in Applied Chemistry: 4th Edition". This is a collection of important high-quality papers (original research articles or comprehensive review papers) published in an open access format by Editorial Board Members or prominent scholars invited by the Editorial Office and . This Special Issue aims to discuss new knowledge or cutting-edge developments in the applied chemistry research field through selected works, in the hopes of making meaningful contributions to the community. We aim for this Special Issue to be the best forum for disseminating research findings and sharing innovative ideas in the field.

Guest Editor

Prof. Dr. Shaojun Yuan

Low-Carbon Technology & Chemical Reaction Engineering Laboratory,
College of Chemical Engineering, Sichuan University, Chengdu 610065,
China

Deadline for manuscript submissions

31 October 2025

About the Journal

Message from the Editor-in-Chief

As the premier open access journal dedicated to molecular chemistry, now in its 29th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts, and novel materials. Pushing the boundaries of the discipline, we invite papers on all major fields of molecular chemistry and multidisciplinary topics bridging chemistry with biology, physics, and materials science, as well as timely reviews and topical issues on cutting-edge fields in all of these areas.

Editor-in-Chief

Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical Biology and Phytochemistry, University of Münster, Corrensstrasse 48, D-48149 Münster, Germany

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Reaxys, CaPlus / SciFinder, MarInLit, AGRIS, and other databases.

Journal Rank:

JCR - Q2 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.1 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
