

nanomaterials

Dear Colleagues,

Authors are increasingly interested in publishing their manuscripts as cover stories in *Nanomaterials*. A total of 24 cover stories are expected to be published between 1 January 2022 and 31 December 2022. These cover stories will report important research results or innovative methods and present impressive images. In recognition of the authors who publish their important research results in *Nanomaterials*, we are pleased to announce the *Nanomaterials* 2022 Best Cover Award. This award was established by *Nanomaterials* in 2021. *Nanomaterials* has been a semimonthly journal since 2022. Therefore, the *Nanomaterials* Best Cover Award will be organized yearly.

2022 BEST COVER AWARD

Prize

Two cover stories will be chosen from the stories published in *Nanomaterials* between 1 January 2022 and 31 December 2022, and each will receive CHF 500.

The criteria that will be considered for selection are as follows:

- Importance or innovation of the research;
- Quality of the cover image.

In addition, we will be randomly selecting the votes of 10 participants, and to show our appreciation of their involvement in the voting process, they will each receive a CHF 50 voucher. Voting will be open from 10 January 2022 to 10 February 2023.

The winners will be announced on the journal website by the end of February 2023.
