### Message from the Guest Editors

Dear Colleagues,

This Special Issue of *NeuroSci* is dedicated to recent advances in nervous systems, neurons and neural circuits, neuroanatomy, neurophysiology, neuropharmacology, molecular and cellular neuroscience, neuropsychology, psychiatry, cognitive and behavioral neuroscience, and computational neuroscience and comprises a diverse selection of exclusive papers of the Editorial Board Members (EBMs) of *NeuroSci*. It focuses on highlighting recent interesting investigations conducted in the laboratories or clinics of our journal's EBMs and represents our journal as an attractive open-access publishing platform for neurology-related research data or reviews.

Dr. Lucilla Parnetti
