Message from the Guest Editors

Dear Colleagues,

The intent of this Special Issue is to highlight the important role of diet in ageing and frailty, with a focus on macronutrients. Preclinical or human original research, reviews or meta-analyses focusing on macronutrients and some aspect of healthy ageing, diseases of ageing or frailty are particularly welcome for this Special Issue.

In light of your expertise in this subject area, you are invited to submit original research, reviews, or meta-analyses for this Special Issue of *Nutrients* focused on the role of ‘Macronutrients in Frailty, Health and Disease’.
