Message from the Guest Editor

Dear Colleagues,

This Special Issue entitled “Physical Pharmacy and Formulation” aims to collect high-quality original research articles, communications, and comprehensive review papers in the cutting-edge field of physical pharmacy and formulation. We encourage Editorial Board Members of *Pharmaceutics* to contribute feature papers reflecting the latest progress in their research field or to invite relevant experts and colleagues to do so.

Prof. Dr. Jaehwi Lee

Message from the Editor-in-Chief

Pharmaceutics (ISSN 1999-4923) is an online open access journal on the science and technology of pharmaceutics and biopharmaceutics. The scientific community, the wider community and the general public have unlimited and free access to the content as soon as a paper is published; this open access to your research ensures your findings are shared with the widest possible audience. Please consider publishing your impressive work in this high quality journal. We would be pleased to welcome you as one of our authors.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), PubMed, PMC, Embase, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q1 (*Pharmacology & Pharmacy*) / CiteScore - Q1 (*Pharmaceutical Science*)
