

Dear Colleagues,

As Editor-in-Chief of *Photonics*, I am pleased to announce the winner of the 2019 Travel Award sponsored by *Photonics*. The award was granted to **Dr. Daniela Lo Presti**, postdoctoral fellow of the Università Campus Bio-Medico di Roma. She will be supported with **500 Swiss Francs** towards travel expenses to attend the 4th Annual IEEE International Symposium on Medical Measurements & Applications to be held at Istanbul, Turkey.

Dr. Daniela Lo Presti's current research focuses on fiber optic sensors; fiber bragg gratings; textile engineering; biomechanics; motion analysis; biomedical signal processing; optical fibers; optical sensing; fiber optic technology; and motion capture.

2019 PHOTONICS TRAVEL AWARD WINNER

Photonics is proud to support this young researcher working in the field of optics and photonics and wish her further success in her career. We are grateful to all who submitted applications—thank you for letting us get to know you and your work. We hope all of you continue to pay attention to *Photonics* in the future.

I would like to congratulate the winner and thank the selection committee for their excellent work in selecting the winner from such a large number of excellent candidate profiles.
