Message from the Guest Editors

Dear Colleagues,

Photonics is an international, scientific, peer-reviewed, open access journal on the science and technology of optics and photonics, published monthly online by MDPI. Since the release of its inaugural issue as a quarterly journal in 2014, *Photonics* has undergone a remarkable journey.

(<https://www.mdpi.com/journal/photonics/history>).

The year 2024 will mark the 10th-anniversary volume of *Photonics*, and we wish to mark this significant milestone by publishing a commemorative Special Issue entitled “*Photonics: 10th Anniversary*”. This Special Issue will be a collection of high-quality reviews and original research articles within the field of optics and photonics (<https://www.mdpi.com/journal/photonics/about>).
