Vertical-Cavity Surface-Emitting Lasers (VCSELs)

Guest Editors:

Prof. Dr. Zheng-Mao Wu

School of Physical Science and Technology, Southwest University, Chongqing 400715, China

Prof. Dr. Gong-Ru Lin

Department of Electrical Engineering, College of Electrical Engineering & Computer Science, National Taiwan University, Taipei 10617, Taiwan

Message from the Guest Editors

This Special Issue aims to collect both theoretical and experimental research publications related to the design and fabrication of VCSELs, the fundamentals of VCSELs, the applications of VCSELs and the unique challenges that arise in their applications fields.

Deadline for manuscript submissions:

closed (28 February 2023)
