Message from the Guest Editor

To build on the success of the Special Issue in *Polymers*, "Natural Compounds for Natural Polymers", and to provide a continuity of this popular topic on natural polymers, we are pleased to announced the opening of this Special Issue for the 2nd volume on this topic.

Deadline for manuscript submissions:

closed (31 August 2020)

The Special Issue is mainly focused on the current understanding of the structure/processing/properties relationships in (bio)polymers containing naturally occurring compounds. Full research articles and comprehensive review articles are welcome.

Message from the Editor-in-Chief

Since its foundation in 2009, *Polymers* has developed into an internationally renowned, extremely successful open access journal. The editorial team and the editorial board dedicatedly combine open-access publishing and high-quality rigorous peer reviewing. The performance of the journal has proven this strategy to be well-suited and highly successful. This is reflected in the increasing impact factor of *Polymers*, the most recent one being 4.9.

I would like to invite you to contribute to the success of the journal by sending us your high quality research papers. We would be pleased to welcome you as one of our authors.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Ei Compendex, PubMed, PMC, FSTA, CAPLus / SciFinder, Inspec, and other databases.

Journal Rank: JCR - Q1 (Polymer Science) / CiteScore - Q1 (General Chemistry)
