Macromolecular Design and
Engineering, Paseo Manuel de
Lardizabal 3, 20018 Donostia-San
Sebastian, Spain

Deadline for manuscript
submissions:

closed (30 June 2020)

Message from the Guest Editor

Dear Colleagues,

Further to the success of the Special Issue of Polymers “**Polymers for Therapy and Diagnostics**”, we are delighted to reopen the Special Issue, now entitled “**Polymers for Therapy and Diagnostics II**”.

This Special Issue is an attempt to summarize the developments in the field of polymer chemistry toward the preparation of advanced materials for the treatment and diagnosis of diseases. Reviews and research articles on different aspects of therapeutics, diagnosis, theranostics, and translation are invited for this Special Issue.

The official deadline for submission is **30 June 2020**. We look forward to receiving your contribution for this special issue in *Polymers*.

an Open Access Journal by MDPI

Message from the Editor-in-Chief

Since its foundation in 2009, *Polymers* has developed into an internationally renowned, extremely successful open access journal. The editorial team and the editorial board dedicatedly combine open-access publishing and high-quality rigorous peer reviewing. The performance of the journal has proven this strategy to be well-suited and highly successful. This is reflected in the increasing impact factor of *Polymers*, the most recent one being 4.9.

I would like to invite you to contribute to the success of the journal by sending us your high quality research papers. We would be pleased to welcome you as one of our authors.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Ei Compendex, PubMed, PMC, FSTA, CAPlus / SciFinder, Inspec, and other databases.

Journal Rank: JCR - Q1 (Polymer Science) / CiteScore - Q1 (General Chemistry)
