Message from the Guest Editors

This Special Issue "Advances in Renewable Energy Systems (2nd Edition)" aims to gather sophisticated contributions on these topics, highlighting the current state of the art. We invite experts from all research fields to share their ideas and experiences in a multidisciplinary manner. Additionally, this Special Issue seeks to foster debate on future scenarios related to climate change and its effects on renewable energy systems.

Message from the Editor-in-Chief

You are invited to contribute either a research article or a comprehensive review for consideration and publication in *Processes* (ISSN 2227-9717). *Processes* is published in open access format – research articles, reviews, and other content are released on the internet immediately after acceptance. The scientific community and the general public have unlimited, free access to the content. As an open access journal, *Processes* is supported by the authors and their institutes through the payment of article processing charges (APCs) for accepted papers. We would be pleased to welcome you as one of our authors.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE (Web of Science), Ei Compendex, Inspec, AGRIS, and other databases.

Journal Rank: JCR - Q2 (*Engineering, Chemical*) / CiteScore - Q2 (*Chemical Engineering (miscellaneous)*)
