### Message from the Guest Editors

This Special Issue on “Antioxidant Properties of Medicinal Plants” aims to present advances in the studies of antioxidant properties of medicinal plants with a special emphasis on the actual benefits those properties may have on a human body, as well as on the safety of consuming food supplements enriched with antioxidants. Topics include but are not limited to:

- Antioxidant properties of medicinal plants;
- The influence of antioxidants present in medicinal plants on the human body;
- Prevention of diseases associated with oxidative stress using medicinal plants;
- Safety of consuming food supplements enriched with natural antioxidants.

## Message from the Editor-in-Chief

You are invited to contribute either a research article or a comprehensive review for consideration and publication in *Processes* (ISSN 2227-9717). *Processes* is published in open access format – research articles, reviews, and other content are released on the internet immediately after acceptance. The scientific community and the general public have unlimited, free access to the content. As an open access journal, *Processes* is supported by the authors and their institutes through the payment of article processing charges (APCs) for accepted papers. We would be pleased to welcome you as one of our authors.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE (Web of Science), Ei Compendex, Inspec, AGRIS, and other databases.

**Journal Rank:** JCR - Q2 (*Engineering, Chemical*) / CiteScore - Q2 (*Chemical Engineering (miscellaneous)*)
