submissions:

30 June 2024

Message from the Guest Editors

We welcome contributions related to any aspect of medieval theology and philosophy, preferably from a cross-cultural perspective. The contribution may be in the form of research paper, communication, or review article. The topics to be addressed in this Special Issue include, but are not limited to, the following areas:

Comparison between the theological and/or philosophical thought belonging to two or more medieval cultures.

Comparison between various aspects of the theological and/or philosophical thought of a specific medieval culture.

Relationship between theology and philosophy in the medieval period.

The role of religion in shaping medieval philosophical thought.

Research on any aspect of the theological and/or philosophical thought of medieval theologians and/or philosophers.

Significance of medieval theological and/or philosophical thought for the modern world.

The Greek heritage of medieval philosophy and theology.

The influence of medieval philosophy and theology on modern philosophy and theology.

The encounter of medieval philosophy and theology with the cultural traditions of other periods.

Message from the Editorial Board

Fresh developments in the disciplines that consistently make significant contributions to our understanding of religious personality, authority, devotion, and community - disciplines ranging from psychology, sociology, and anthropology to history, art history, philosophy, literary criticism, and political science – fuel general, as well as scholarly, interest in the world's religions.

Religions is inviting innovative and comparative contributions. Please consider Religions as an exceptional, exciting enterprise ready to reward your trust, attention, and participation.
