Message from the Guest Editors

Dear Colleagues:

The aim of this volume is to assemble a collection of scholarly essays on current issues and/or developments in Orthodox-Evangelical relations, at both global and national levels, which will inform ongoing dialogue. Essays may evaluate regional meetings, discuss the history of relationships, or consider current missiological challenges, political and legal issues, comparative theology or other topics. They may focus on (but are not limited to) relations in Russia, Eastern and Western Europe, the Middle East, Africa, North America, Australia and Greece. Sensitivity to the nuances of difference between Eastern and Western Evangelicals and Eastern Orthodox and Oriental Orthodox communities is especially welcome. The suggested length of essays is between 3,000–6,000 words, but this is flexible.

- Orthodox
- Evangelical
