### Message from the Guest Editors

Dear Colleagues,

We would like to invite global contributors to shed light on these following issues to help develop a robust literature base on the topic that could inform directions for future research and provide practical/clinical insights and implications for practitioners.

- **Religious and Spiritual (R/S) dispositions** (e.g., character strengths, virtues, attachment to God);
- **R/S practices** (e.g., religious coping, spiritual practices);
- **R/S-oriented interventions** (e.g., positive psychology interventions, spiritually oriented interventions)

We request that, prior to submitting a manuscript, interested authors initially submit a proposed title and an abstract of 400–600 words summarizing their intended contribution before **15 September 2022** (abstract deadline). Please send it to the *Religions* Editorial Office ([religions@mdpi.com](mailto:religions@mdpi.com)) or to the Guest Editors ([david.wang@biola.edu](mailto:david.wang@biola.edu) and [eu.gene.chin@biola.edu](mailto:eu.gene.chin@biola.edu)).

## Message from the Editorial Board

Fresh developments in the disciplines that consistently make significant contributions to our understanding of religious personality, authority, devotion, and community - disciplines ranging from psychology, sociology, and anthropology to history, art history, philosophy, literary criticism, and political science – fuel general, as well as scholarly, interest in the world's religions.

*Religions* is inviting innovative and comparative contributions. Please consider Religions as an exceptional, exciting enterprise ready to reward your trust, attention, and participation.
