Dear Colleagues,

We are pleased to announce that the application period is now open for the 2020 *Remote Sensing* Travel Awards. The applications will be assessed by an Evaluation Committee chaired by the Section Editor-in-Chief of *Remote Sensing*, Dr. Xiaofeng Li.

Applicants must be postdoctoral researchers or PhD students working in the field of remote sensing or related areas. The awards provide financial assistance for two winners to present an oral presentation and/or poster at an international conference in 2020.
