Message from the Guest Editor

Dear Colleagues,

The Samos Conference, jointly organized with the Katholieke Universiteit Leuven, the Université Catholique de Louvain, the Københavns Universitet, and the New York University, provides a forum for state-of-the-art results in the areas of insurance, finance, and risk management. The meeting is open to people from universities, insurance companies, banks, consulting firms, or regulatory authorities.

We welcome all participants to submit their manuscripts presented at the conference to this special issue. All manuscripts will be refereed through the same peer-review process of the journal.

Message from the Editor-in-Chief

Risks is published in Open Access format – research articles, reviews and other content are released on the internet immediately after acceptance. Specifically, *Risks* welcomes contributions that

- contribute with insight, outlook, understanding and overview, no matter how simple they are;
- show creativity in pedagogical tricks and techniques;
- help the transfer of theoretical research to public and private application;
- show responsibility for societal impact.

The scientific community and the general public have unlimited free access to the content as soon as it is published.
