

## Special Issue

# Selected Papers from the World Finance and Banking Symposium Conference

### Message from the Guest Editors

The World Finance and Banking Symposium will take place this year in Budapest, Hungary, at the Corvinus University of Budapest on 17–18 December 2021. The focus of the conference is the field of finance, economics, and banking. The aim of this Special Issue is to publish papers from the conference that focus mainly on topics of risk management and regulation, in the case of both financial and non-financial institutions.

## About the Journal

### Message from the Editor-in-Chief

*Risks* is published in an open access format; research articles, reviews, and other content are released on the internet immediately after acceptance. Specifically, *Risks* welcomes submissions that (a) contribute with insight, outlook, understanding, and overview; (b) show creativity in terms of pedagogical methods and techniques; (c) help the transfer of theoretical and applied research into applications in the public and private domains; and (d) show responsibility for the impact on society. The scientific and the general public have unlimited free access to the content as soon as it is published.
