

robotics

Dear Colleagues,

We are glad to announce the launch of our new Best Paper Award for papers published in the Special Issue “Women in Robotics”. One review or research article will receive this award. The paper will be selected after thorough evaluation by the journal Evaluation Committee.

2021 BEST PAPER AWARD

FOR THE SPECIAL ISSUE "WOMEN IN ROBOTICS"

Eligibility for the award:

- Open to all career levels;
- Only articles published in “Women in Robotics” before June 2022, excluding feature papers invited by the Guest Editor.

Selection criteria:

The paper will be selected by the journal Evaluation Committee according to the following criteria:

- Scientific merit and broadness of impact;
- Relevance to the journal’s field;
- Originality of research objectives and/or presented ideas;
- Creativity of study design or uniqueness of approaches and concepts.

Prizes:

The winner will receive the following:

- A certificate;
- 500 CHF;
- A waiver to publish a feature paper in *Robotics* (following the standard peer review procedure, within one year after the award is announced).

The winner will be announced on the journal website in 31 August 2022.

If you want to find out more details about the Special Issue and submit your paper, please see this link: https://www.mdpi.com/journal/robotics/special_issues/Women_Robotics. Earlier papers will benefit from the opportunity to receive more citations and to win this award.
