Message from the Guest Editor

Dear Colleagues,

The Materials Section of *Sensors* is pleased to announce a Special Issue entitled "Feature Papers in Sensor Materials Section 2023". We welcome contributions and recommendations from Editorial Board Members.

The aim of this Special Issue is to publish original papers and focused reviews covering all aspects related to the materials of sensors and their applicative fields. We expect that these papers as well as reviews will widely impact the domain of sensor materials and will be highly cited.

Message from the Editor-in-Chief

Sensors is a leading journal devoted to fast publication of the latest achievements of technological developments and scientific research in the huge area of physical, chemical and biochemical sensors, including remote sensing and sensor networks. Both experimental and theoretical papers are published, including all aspects of sensor design, technology, proof of concept and application. *Sensors* organizes Special Issues devoted to specific sensing areas and applications each year.
