Message from the Guest Editors

Dear Colleagues,

The 2nd International Conference on Advanced Science and Technology will be held on June 23 - 25, 2010, at Sheraton Grande Ocean Resort, in Miyazaki, Japan. AST 2010 will be the most comprehensive conference focused on the various aspects of advances in Science and Technology. Our Conference provides a chance for academic and industry professionals to discuss recent progress in the area of Advanced Science and Technology. The goal of this conference is to bring together the researchers from academia and industry as well as practitioners to share ideas, problems and solutions relating to the multifaceted aspects of the Advanced Science and Technology.

Prof. Dr. Ruay-Shiung Chang

Message from the Editor-in-Chief

Sensors is a leading journal devoted to fast publication of the latest achievements of technological developments and scientific research in the huge area of physical, chemical and biochemical sensors, including remote sensing and sensor networks. Both experimental and theoretical papers are published, including all aspects of sensor design, technology, proof of concept and application. *Sensors* organizes Special Issues devoted to specific sensing areas and applications each year.
