submissions:

**6 September 2024**

### Message from the Guest Editors

This Special Issue will focus on environmental governance and environmental responsibility, explore the breakthrough path of environmental governance under economic downward pressure, and analyze the new positioning of individuals, enterprises, and governments in environmental governance in the new development stage so that each stakeholder can better fulfill their environmental responsibilities and better promote green and sustainable economic development.

- environmental decentralization, government responsibility, and high-quality development
- government behavior, environmental strategies, and environmental performance
- environmental protection system and enterprise environmental protection behavior
- environmental responsibility and pollution reduction
- green innovation, pollution, and carbon reduction
- enterprise digital transformation and green development
- green consumption, product selection, and environmental governance
- consumption mode choice and industrial green transformation
- harmonious coexistence between humans and nature

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [AGRIS](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

**Journal Rank:** JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (*Geography, Planning and Development*)
