Deadline for manuscript  
submissions:  
**closed (31 March 2024)**

### Message from the Guest Editors

Dear Colleagues,

This Special Issue welcomes papers focusing on recent frontiers in sustainable operations management, with an emphasis on real-world motivated cases. The methodologies may include: (i) case studies; (ii) surveys; (iii) the use of secondary and archival data; (iv) experiments; (v) analytical modeling; and (vi) big data analytics. Papers may touch on a range of themes, including but not limited to the following:

- (1) Best commercial practices and case studies in sustainable operations management;
- (2) Empirical studies of business practices and performance in sustainable operations management;
- (3) Literature review on emerging issues in sustainable operations management;
- (4) Implementation risk and benefit of adopting digital technologies in sustainable operations management;
- (5) Decisions and optimizations in sustainable operations management;
- (6) Sharing economy in sustainable operations management;
- (7) Information sharing in sustainable operations management;

Prof. Dr. Yongjian Li  
Dr. Fangchao Xu

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

**Journal Rank:** JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
