Deadline for manuscript  
submissions:  
**closed (31 March 2024)**

### Message from the Guest Editors

Dear Colleagues,

This Special Issue welcomes papers focusing on recent frontiers in sustainable operations management, with an emphasis on real-world motivated cases. The methodologies may include: (i) case studies; (ii) surveys; (iii) the use of secondary and archival data; (iv) experiments; (v) analytical modeling; and (vi) big data analytics. Papers may touch on a range of themes, including but not limited to the following:

- (1) Best commercial practices and case studies in sustainable operations management;
- (2) Empirical studies of business practices and performance in sustainable operations management;
- (3) Literature review on emerging issues in sustainable operations management;
- (4) Implementation risk and benefit of adopting digital technologies in sustainable operations management;
- (5) Decisions and optimizations in sustainable operations management;
- (6) Sharing economy in sustainable operations management;
- (7) Information sharing in sustainable operations management;

Prof. Dr. Yongjian Li  
Dr. Fangchao Xu

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

**Journal Rank:** JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
