Deadline for manuscript
submissions:

10 November 2024

Message from the Guest Editor

This Special Issue focuses on cultivating diverse perspectives on cultural and heritage in sustainable tourism. It aims to explore the multifaceted interplay between culture, heritage, and sustainable tourism. This Special Issue welcomes original research papers that delve into various perspectives, innovative approaches, and diverse viewpoints. We hope that it can contribute to expanding our knowledge on the conservation and preservation of valuable cultural and heritage resources at tourism destinations and various stakeholders' efforts for sustainable tourism. We also encourage you to submit original research papers, reviews, and case studies. This Special Issue seeks to foster a comprehensive understanding of how culture and heritage shape sustainable tourism. Research areas may include (but are not limited to) the following:

- Cultural and heritage tourism,
- Sustainable tourism,
- Tourist behaviours,
- Stakeholders,
- Challenges and opportunities of cultural and heritage sites
- UN sustainable development goals (SDGs),
- World heritage sites (WHSs),
- Regional tourism.

I look forward to receiving your contributions.

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
