Message from the Guest Editors

Dear Colleagues,

We invite researchers, scholars, and practitioners to contribute to our Special Issue dedicated to investigating the characteristics of integrated entrepreneurship with a specific focus on sustainable entrepreneurship and strategic management. Key Themes:

Harnessing innovation: delving into cutting-edge innovations that drive sustainability in entrepreneurship

Ethical practices: examining the role of ethics in shaping sustainable entrepreneurial ventures and will analyze the impact of responsible business conduct on long-term success

Circular economy principles: investigating circular economy strategies and their application in creating businesses that thrive in a rapidly changing market landscape

Gender diversity in entrepreneurship fosters innovation and economic growth: focusing on how encouraging women and underrepresented groups to start businesses can create a more inclusive and dynamic entrepreneurial landscape

Sustainable entrepreneurship and strategic management in the food industry: addressing how embracing eco-friendly practices, reducing waste, and sourcing local food businesses can not only thrive but also contribute to a healthier planet
