Deadline for manuscript  
submissions:

**closed (30 September 2024)**

### Message from the Guest Editors

For this special issue, we hope authors can contribute research articles or reviews in the following research fields:

- Environmental impacts of ship recycling;
- Hazardous material and waste management ;
- Circular economy and resource efficiency strategies (e.g., reuse, remanufacture) in the maritime industry;
- Facility design and process optimization;
- Net-zero ship recycling approaches;
- Occupational health and safety in ship recycling;
- Risk and safety quantification in ship recycling;
- Technological approaches and best practices in ship recycling yards;
- Policy, governance, and legal frameworks for sustainable ship recycling;
- Economic viability and market perspectives in ship recycling;
- Sustainable ship design and end-of-life considerations;
- Socioeconomics, labour rights; and well-being;
- Case studies on the successful implementation of sustainable ship recycling practices;
- Stakeholder engagement and public awareness.

Any questions, please ask Mark Huang

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with article processing charges (APC) paid by authors or their institutions.

**High Visibility:** indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

**Journal Rank:** JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
