### Message from the Guest Editors

Dear Colleagues,

In this Special Issue, titled “Sustainability of Corporate Governance and Enterprise Environment”, we intend to go beyond the traditional understanding of corporate governance and the enterprise environment. Original research articles and reviews are welcome. Research areas may include (but are not limited to) the following:

- a. Board diversity and ethics.
- b. Internal structure and economic responsibility to:
  - Manage the internal system transparently;
  - Fulfil the responsibilities of the firm to investors and other stakeholders.
- c. Board size and social accountability.
- d. Environment protection and sustainability.
- e. CEO duality and financial performance of the firm.
- f. Shareholder activism and CSR.
- g. Financial reporting and auditing.
- h. Management entrenchment and the firm’s financial performance.
- i. Institutional shareholdings and transparency.
- j. Management shareholdings and agency cost.
