### Message from the Guest Editors

This Special Issue aims to provide answers related to the agritourism field and focuses on original aspects intended to emphasize and exemplify the role of agritourism activity in ensuring sustainable rural development. We invite authors to publish original research/studies which discuss topics that may include but are not limited to:

- Rural development studies through agritourism activities;
- Innovative proposals for "branding" the rural environment with the help of agritourism activity;
- Sustainable ideas for promoting the rural environment through agritourism;
- Agritourism entrepreneurship and proposals for the profitability of local farms through this activity;
- Agritourism—a means/possibility of reducing rural environment disparities;
- Capitalization topics of the resources from the rural community through agritourism;
- The impact of agritourism on the rural environment.
