Biodiversity Conservation, Management and Sustainability for Fisheries in Protected Areas

Guest Editors:

Prof. Dr. Vera P. Nikolić

Faculty of Biology, University of Belgrade, Belgrade, Serbia

Dr. Vesna Djikanović

Department for Hydroecology and Water Protection, Institute for Biological Research “Siniša Stanković”, National Institute of the Republic of Serbia, University of Belgrade, Belgrade, Serbia

Message from the Guest Editors

Sustainability is a hot topic in most fishery discussions around the world today. An important aspect of sustainable fishing is the adoption of precautionary measures, known as harvest control rules, which prescribe a reduction in catches when the population of a stock is declining. This is particularly important when stocks are shared by several countries and a joint effort is required to prevent overfishing.

Deadline for manuscript submissions:

12 December 2024

Special Issue

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and
Applied Science, University of
Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
