Message from the Guest Editors

We are pleased to invite you to contribute to this Special Issue of *Sustainability*, titled “From Decline to Growth: Sustainable Tourism and Community-based Initiatives for Local Development”. This Special Issue focuses on the crucial intersection of consumer behavior and its impact on local communities within the context of sustainable tourism. As global tourism continues to expand, understanding the dynamics between tourist behaviors and the socio-economic well-being of local populations is vital for developing sustainable tourism practices. This research area is of paramount importance as it addresses the need for a balanced approach to tourism that benefits both visitors and local stakeholders while preserving cultural and environmental resources.

Keywords:

sustainable tourism; consumer behavior; local livelihoods; tourism development; socio-economic impacts; environmental sustainability; cultural heritage; responsible tourism; policy and governance; community-based tourism

an Open Access Journal by MDPI

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
