Message from the Guest Editors

This Special Issue aims to focus on important issues of the advancement or applications of AI in businesses and societies, especially regarding the roles of AI in their digital transformation.

In this Special Issue, original research articles and reviews are welcome. Research areas may include (but are not limited to) the following:

- AI and business sustainability;
- Disruptive innovation of AI;
- Digital transformation of organizations;
- Managing digital transformation;
- AI and digital transformation;
- Digital business ecosystems;
- Digital twins;
- Digital transformation issues;
- AI and/or digital transformation in business and management;
- AI and/or digital transformation in education;
- AI and/or digital transformation in healthcare;
- The impact of AI and/or digital transformation in society.

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and
Applied Science, University of
Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
