Emirates

Deadline for manuscript
submissions:

closed (15 October 2024)

Message from the Guest Editor

In this Special Issue, original research articles and reviews are welcome. Research areas may include (but are not limited to) the following:

Energy Transitions and Environmental Impacts:

Investigation of sustainable energy sources and technologies;

Assessment of the environmental consequences and ecological footprints associated with energy production and consumption.

Economic Dynamics in Sustainable Development:

Analysis of economic models that promote sustainable development;

Examination of the role of economic policies in achieving environmental and social objectives.

Holistic Approaches to Sustainable Practices:

Exploration of integrated strategies that harmonize energy, environmental, and economic goals;

Case studies demonstrating successful models of sustainable practices in diverse socio-economic contexts.

Technological Innovations and Solutions:

Presentation of innovative technologies and solutions that enhance the synergy between energy, environmental conservation, and economic development.

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

Journal Rank: JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
