Message from the Guest Editors

In this special issue the contributions that may help to analyse the impact of these new trends in economy, society and environment will be welcomed. Submissions could be related, but not restricted to the following topics:

- Agricultural policies.
- Rural development.
- Local and global markets.
- New technologies in agriculture and environment.
- International trading.
- Agrifood marketing.

We would be pleased if researchers from different disciplines such as economics, management, business, marketing, sociology, statistics and others were willing to send us their contributions.
