Finance, College of Business,
Texas A&M University-Commerce,
Commerce, TX 75429, USA

Deadline for manuscript
submissions:

closed (30 November 2020)

Message from the Guest Editor

The topical issues of interest include, but are not restricted to:

An asymmetric consideration of exchange rate changes on trade balance using developed or developing economies data;

An asymmetric consideration of exchange rate volatility on trade flows in developed or developing countries;

Bilateral trade flow reactions to exchange rate in the face of currency appreciation and depreciation using evidence of both a country-specific and cross-country nature.

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

High Visibility: indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

Journal Rank: JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
