Message from the Guest Editors

This Special Issue of Sustainability will comprise a collection of empirical and theoretical studies covering a wide range of themes related to bank management, finance and sustainability. In particular, we encourage submissions that address issues related (but not limited) to the following main topics:

- Sustainable banking management;
- Socially responsible investments;
- ESG/CSR and banks' management and financial performance;
- Banks' contribution to SDGs;
- Impact finance;
- Financial literacy and financial education initiatives;
- Financial inclusion and access to finance;
- Microfinance and sustainability.

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
