submissions:

closed (30 November 2023)

Message from the Guest Editors

Dear Colleagues,

We invite you to contribute to a Special Issue of *Sustainability* entitled “Security, Tourism and Sustainability”. This Special Issue aims to discuss security challenges in the context of sustainable development. In particular, in soft security dimensions such as tourism, religion, energy and other aspects of social security.

We encourage you to contribute to this Special Issue by submitting scientific articles on the research and analysis of a wide range of challenges posed by the threats of the soft dimensions of security to sustainable development. These articles may be in theoretical terms, or presenting empirical results. This Special Issue deals with (but is not limited to) the following topics in the context of sustainable development:

- Theoretical and methodological aspects of security
- The use and impact of modern technologies
- Transport safety
- Contemporary threats in tourist traffic
- Threats to the development of recreation and tourism
- Military threats
- Cultural threats to the development of tourism
- Climate change as a risk factor
- Economic threats
- Health hazards in tourism
- Epidemic threats
- Energy security

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and
Applied Science, University of
Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
