Message from the Guest Editors

This Special Issue calls for papers that investigate sustainability in retail marketing management and consumer behaviour. The scope of 'sustainability' for this Special Issue includes the aspects of environmental and social sustainability, as well as the long-term survival of businesses. We welcome submissions that address one or more of the following areas:

- Green marketing in retailing;
- Ethical marketing in retailing;
- Health marketing in retailing;
- The retail environment and sustainability;
- Consumer behaviour towards product sustainability claims;
- Consumer behaviour towards healthier products;
- Sustainable branding and advertising in retailing;
- Sustainable packaging in retailing;
- Sustainability in the supply chain, e.g., local production, carbon footprints;
- Sustainable product portfolio management in retailing;
- Sustainable distribution in retailing, e.g., waste avoidance and disposal;
- Sustainable business growth in retailing;
- The marketing challenges of making ethical/sustainable consumption mainstream in retailing;
- Consumer perceptions and scepticism towards sustainability claims;
- Consumer cynicism, distrust and apathy;
- Anti-consumption.
