Message from the Guest Editors

This Special Issue will cover, but not be limited to, the following topics in the Middle East and North Africa (MENA) region:

- Integrated groundwater and storm water management systems.
- Integrated assessment and modeling of freshwater and wastewater management systems.
- Integration of big data analytics for defining and determining a knowledge framework for environmental impact assessment.
- Sustainable management of marine and coastal environments.
- Impacts of climate change on agricultural ecosystems.
- Environmental and ecological impacts of climate hazards.
- Future projections and simulations of climate change impacts.
- Renewable and green energy.
- Biotechnology for environmental risk assessment and management.
- Innovative and clean technologies for energy production.
- Smart cities and climate change resilience.
- Remote sensing and GIS applications for sustainable monitoring.

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and
Applied Science, University of
Ontario Institute of Technology,
Oshawa, ON L1G 0C5, Canada

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Author Benefits

Open Access: free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility: indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank: JCR - Q2 (*Environmental Studies*) / CiteScore - Q1 (Geography, Planning and Development)
