- Collaborative transportation: app-based short-distance ride-sharing services, long-distance ride-sharing services, carpooling, car-sharing networks, or parking sharing platforms;
- Collaborative accommodation: home-sharing; peer-to-peer rental platforms; home-swapping platforms or online-only vacation rental platforms;
- Collaborative finance: crowdfunding platforms; lending platforms;
- Collaborative e-learning: shared learning platform, open online courses, P2P education, etc.;
- On-demand household services: crowdsourced delivery networks; on-demand household chores;
- On-demand professional services: large online-only freelancer marketplaces or specialized on-demand professional service platforms.
