### Message from the Guest Editors

The scope of this particular Special Issue is very broad. Specific topics, therefore, may include but are not limited to entrepreneurship and innovation for sustainable regional development within all the main management and economics disciplines. This Special Issue invites conceptual and/or empirical papers, which present cutting-edge research on entrepreneurship and innovation for sustainable regional development at the micro, meso, and macro level. Papers which examine trends and initiatives, employ original methodologies, and offer interesting empirical insights and theoretical contributions to this issue are very welcome.

Deadline for manuscript  
submissions:
