Message from the Guest Editors

This Special Issue will explore the intricate relationships among ESG performance, risk management, stakeholder reactions, and business outcomes. We invite the submission of original research articles and reviews that examine the role of ESG in shaping sustainable business practices, influencing stakeholders' investment and purchasing decisions, and managing risks. Research areas may include (but are not limited to) the following:

- The impact of ESG practices on risk management;
- The impact of ESG practices on sustainable business management;
- Innovation and ESG practices;
- The influence of ESG practices during crises (e.g., COVID-19 and financial crises);
- Stakeholder expectations and the future of ESG principles;
- The significance of financial and non-financial ESG indicators;
- Challenges and opportunities in adopting ESG principles.

We look forward to receiving your contributions.
