Message from the Guest Editor

Dear Colleagues,

This Special Issue focuses on fusing new developments and research in sustainability. Submissions should explicitly speak to one or more of the following themes:

- Sustainability development in emerging and transition economies;
- Cross-national research of sustainable practices;
- Opportunities and challenges in sustainable business;
- Sustainability policy, regulation, and governance;
- Green production methods and technologies;
- Social and ethical manufacturing;
- Closed-loop supply chain management;
- Recycling: up-cycling or down-cycling?
- Culture and sustainable consumption;
- Consumer behavior and circular economy;
- Fast fashion/food versus slow fashion/food consumption;
- Sustainable lifestyles and practices;
- Sustainability and millennials' consumption practices;
- Sustainability and aging population;
- Other topics related to sustainable production, consumption, and prosumption.
