Deadline for manuscript  
submissions:  
**closed (31 December 2024)**

### Message from the Guest Editors

Dear Colleagues,

This Special Issue aims to delve into the nexus of technology and sustainability in engineering structures, emphasizing areas such as:

1. Sustainable and Eco-Friendly Building Materials: investigating materials that align with new environmental goals.
2. Integration of Advanced Technologies in Construction Processes: exploring innovations like 3D printing for enhanced sustainability.
3. Smart Design Strategies: emphasizing integrated design procedures for energy efficiency.
4. Waste Reduction and Management: highlighting approaches to minimize or repurpose construction waste.
5. Resilient Structures through Technology: showcasing advancements that can ensure structures stand the test of time.

We look forward to receiving your contributions.

an Open Access Journal by MDPI

Natural Resources, Ohio State  
University, Columbus, OH 43210,  
USA

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:** free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [SCIE](#) and [SSCI \(Web of Science\)](#), [GEOBASE](#), [GeoRef](#), [Inspec](#), [RePEc](#), [CAPlus / SciFinder](#), and [other databases](#).

**Journal Rank:** JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
