Message from the Guest Editor

This Special Issue aims at contributing the latest knowledge to the corporate sustainability field. Conceptual, review and empirical papers are welcome. In response to the lack of theory in the corporate sustainability field, papers concerning theory building are of particular interest.

In this issue, we seek answers to the following focal questions: What are factors leading to corporate sustainability? How do they lead to corporate sustainability? Do these factors improve the prospect of organizational resilience?

Topics include, but are not limited to:

- Corporate Sustainability
- Sustainable Supply Chain
- Sustainable Consumption
- Organizational Culture
- Sustainable Leadership
- Sustainable Business
- Social Entrepreneurship
- Sustainable Production
- Stakeholder Management
- Organizational Resilience

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
